DETAILED ACTION

Allowable Subject Matter

1. Claims 1-46 are allowed.

2. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to clearly teach or fairly suggest the logical flow steps of a method for evaluating accuracy of an automatic location identification (ALI) system configured to locate a wireless communication device originating a call through a wireless communication, as recited in independent claims 1, 13, 25 and 30. The prior art of record also fails to clearly teach or fairly suggest the features of components of a computer system for selecting test points in a validation region, said test points being used to validate accuracy of an automatic location identification (ALI) system operating in said validation region, said ALI system being configured to locate a wireless communication device originating a (emergency) call through a wireless communication, as recited in independent claims 35 and 41.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
